SUBJECT/OBJET **OPPI AWARD FOR SYLVIE GRENIER**

I am pleased to inform you that a member of my staff, Ms. Sylvie Grenier is the recipient of the Ontario Professional Planners Institute Member Service Award. Ms. Grenier is one of only two planners to be honoured with this award in 1998.

She is being recognised for her exceptional work in creating and promoting the Urban Forum, an outstanding speakers' series established with other professional associations of architects, landscape architects, and civil engineers. Recent topics included: "Greening our Urban Spaces", "Sustainable Urban Transportation", and "The Wired Metropolis."

The Urban Forum has not only benefited the community of planning and design professionals but also has received kudos from members of the public. I know many of you have taken the opportunity to attend these events.

Ms. Grenier and her committee continue to build on their past successes and have planned an interesting and ambitious program for 1998-1999. We look forward to your continued support and participation.
