Survey: Electronic submissions (optional)

For future competitions, The Ottawa Book Awards staff is investigating the possibility of accepting books in both electronic and hardcopy formats. This would mean that authors and publishers could choose to submit their books either as an eBook on USB or by submitting four hardcopies. If this option were available, would it be beneficial to you? Are you submitting a book that is currently available as an eBook?

- Yes, my book is available in digital form
- Yes, the option to send in an eBook instead of hardcopy books is appealing to me
