Subject / Objet: 234 King Edward Avenue - Landscaping - Status

Further to your request at the last LACAC meeting.

I met on site with the property owner and we found that the Oil Changers Franchise next to the Tim Horton's Donut Store (to the immediate south of 234 King Edward Avenue and facing St. Patrick Street) was using the site to park cars temporarily after they had received an oil change. The owner of the vacant lot has spoken to the Oil Changers and the illegal parking has stopped. I have subsequently visited the site on eight different occasions (night, day and weekends) and there have been no cars parked on the property.

The landscaping (essentially grass, cedar hedge and concrete wheel stops) on the vacant site is expected to commence within the next three weeks.

I will continue to monitor any illegal parking.
