**REPORT RECOMMENDATION**

**That the 9-1-1 Management Board receive this report for information.**

**BACKGROUND**

At the 9-1-1 Management Board meeting of 10 May 1996, Inspector Ian Davidson provided an update on the proposed training co-ordinator position for the 9-1-1 ComCentre. At that time, the Board recommended:

That Inspector Davidson develop the terms of reference for the type of training and counselling being sought, and the possibility of utilizing existing staff resources or purchasing services from outside consultants and the relationship with the other parts of the Police Services who might benefit from having this type of expertise in place.

Sergeant John Ferguson will be in attendance at the Board meeting in October to provide a verbal update on this issue.
