Dear Chief Bond:

Re: Duplicate Addresses - River Road

Further to our on-site meeting, March 23, 1999 with yourself, Chief Gerald Bennett and myself, I would like to confirm our findings.

The last civic address in Osgoode Township along the River Road is #3901. North Grenville Township begins at approximately #3600 and the civic address before 416 Highway is #4084. This is the problem that has arisen.

Through our findings, going south into Township of North Grenville, we came to the conclusion that the grid system could be adjusted within North Grenville, which would mean the dwellings/buildings along River Road would be renumbered.

The easiest solution would be to renumber from Osgoode Township/North Grenville Township Boundary south to the 416 Highway. It is approximately a 3.9 km stretch and the number range could be set starting from #3901 - #4101 (at 416 Highway), leaving 200 numbers.

By using this range the Township of North Grenville property numbers can be picked up on the west side of 416 Highway and continue as it is currently numbered.

As mentioned at our meeting, if you require any assistance in the numbering of this area please contact the undersigned.

Yours truly,
