PLANNING AND ENVIRONMENT COMMITTEE REPORT NO. 321. LAND TRUSTSCOMMITTEE RECOMMENDATIONS AS AMENDED

That Council:

1. Support in principle the creation of a land trust organization focusing on urban Ottawa-Carleton and form a working group of potential partners to define the possible form and mandate of such an organization;
2. Provide logistical support and any necessary facilitation and expert advice for the working group from the Environmental Resource Areas Acquisition account.
3. Council reiterates its support for its current greening, greenspace acquisition and other policies to conserve the natural environment and that the land trust proposal is intended to supplement and augment existing efforts.
