SUBJECT/OBJET **2ND NATIONAL CONFERENCE ON TOBACCO OR HEALTH  
OCTOBER 30 - NOVEMBER 2, 1996, CHÂTEAU LAURIER  
HOTEL, OTTAWA**

The Canadian Council on Smoking and Health is hosting this conference which will include various presentations by the Health Department and its partners. These presentations and posters are a reflection of departmental tobacco related activities arising from previous decisions and policies supported by the Community Services Committee and former Health Committee of Regional Council. We are pleased and proud of the significant presence of the Health department at this important national meeting.
