DEPARTMENTAL RECOMMENDATION

That the Corporate Services and Economic Development Committee approve the award of Contract 96-508 for the Installation and Maintenance of Detector Loops and Lead-In Cable to Mister Sealer Corporation, Ottawa, for a total contract provision of \$93,414.48.

DISCUSSION

The recommendation of a contract award to Mister Sealer Corporation represents an award to the second low bidder following a failure of the low bidder, L. Labelle Electric Ltd., to provide the required contract security.
