SUBJECT/OBJET **SUPPLY OF TRAFFIC SIGNAL LAMPS -
TENDER 0285-32-T1/98 - CONTRACT AWARD**

DEPARTMENTAL RECOMMENDATION

That the Corporate Services and Economic Development Committee and Council approve the award of Tender 0285-32-T1/98, Supply of Traffic Signal Lamps, to:

- 1. Omnitek Sales, Ottawa, Ontario in the amount of \$57,835.80**
- 2. Duro-Test Canada Inc., Rexdale, Ontario in the amount of 16,780.80**

for a total contract provision of \$74,616.60.

DISCUSSION

The above award includes all taxes and is F.O.B. Ottawa.

Tenders (excluding GST/PST), for the supply of Traffic Signal Lamps, were received from the following companies:

Litemor Distributors Ltd., Ottawa
Omnitek Sales, Ottawa
Duro-Test Canada Inc., Rexdale, Ontario

A detailed summary of bids received is attached as Annex A.

Tenders were called by the Supply Management Division.

Based on the review of the tender documents, the Department recommends acceptance of the tender from Omnitek Sales, Ottawa, for the 60W and 90W bulbs and Duro-Test Canada Inc., Rexdale, Ontario for the 135W bulbs. Hytron traffic signal lamps are not recommended as these lamps are not on the Region's "Approved Traffic Signal Lamps/Source List". The Hytron lamps were previously tested and had an excessively high failure rate. The Osram-Sylvania lamps are also not on the "Approved Traffic Signal Lamps/Source List" but are currently being reviewed for possible addition to the list.

The requested contract award of \$64,884 plus \$9,732.60 for GST/PST allowance brings the total contract award to \$74,616.60.

These traffic signal lamps will be used for the maintenance of traffic control signals and other related traffic control devices and the installation of new traffic control signals.

CONSULTATION

As this contract represents the supply of traffic signal lamps, consultation is not applicable.

EXPENDITURE JUSTIFICATION

It is necessary to commit to this expenditure now in order to have the material in stock for the 1998 preventive maintenance programme and construction season.
