SUBJECT/OBJET **THE WATER AND SEWAGE SERVICES IMPROVEMENT
ACT, 1997**

DEPARTMENTAL RECOMMENDATION

That the Planning and Environment Committee consider the joint report of the Environment and Transportation Commissioner, Regional Solicitor and Planning and Development Approvals Commissioner on the above subject which will be issued separately.

BACKGROUND

At its meeting of 12 Feb 97, Regional Council approved a motion which read (in part), "That Council petition the Minister of the MOEE for an extension of the 30 day public consultation period to allow for a report to be brought to the Planning and Environment Committee and Council on the impacts of the proposed legislation in Ottawa-Carleton."

A request for extension to 14 Mar 97 has been sent to the Minister of the Environment and Energy. Staff are preparing a report for Planning and Environment Committee and Council's consideration, however, due to the short time period, it was not possible to meet the agenda printing deadline. It is anticipated the report will be distributed to Councillors prior to the meeting on 25 Feb 97.
