SUBJECT/OBJET **TRANSPORTATION TOMORROW SUMMIT PROCEEDINGS**

You expressed interest in Minister Clement's "Transportation Tomorrow Summit".

A copy of the proceedings is attached.

Note the lack of the word "urban" in the proceedings. In the covering letter of 11 September 1998 he is quoted "...I intend on building on the success of the Summit by developing a series of "policy dialogues" this Fall...".

Also, on page 6 of the Summary "...confirmation that the Province wants to build on the success of the Summit, and hold similar events in the future to concentrate on some of the ideas discussed...".

It would be appropriate to ask the Minister to hold a summit on urban transportation as 90% of the road system is municipal and the vast majority of wealth is created in urban areas.
