That the Transportation Committee receive this verbal presentation for information.

BACKGROUND

The Region of Ottawa-Carleton, together with 32 local partners, participated in the Ministry of Transportation's Road Safety Challenge this summer. As a result of its participation, the Region won an award, including a certificate and small financial prize for Intersection Safety. It recognizes the Region's pro-active efforts in raising public awareness about intersection safety in the community.

Staff would like an opportunity to provide a brief overview of the efforts the Department has made with regards to safety and raising public awareness.
