# city of ottawa cultural funding

---

Through its Cultural Funding and Awards Programs, the City of Ottawa annually supports the creation, production and presentation of arts, festivals, fairs and heritage activities undertaken by individuals and not-for-profit professional organizations, community and amateur groups. The wide range of programs funded by the City creates opportunities for awareness and appreciation of the arts and culture in our community for everyone.

Cultural Funding and Awards Programs are generally assessed through a peer review process that engages professionals representing specific disciplines and other individuals who are knowledgeable and active in the arts, heritage, festivals or fairs community in the assessment of applications and allocation of funds.

In 2011, the Cultural Funding Unit managed 471 funding and awards submissions and held 28 juries that resulted in 282 funding allocations.
