REPORT RECOMMENDATIONS:

That the Community and Protective Services Committee recommend that Council approve amendments to Sections 2 and 3 of the Noise By-law (By-law No. 2004-253) to establish that no person shall cause or permit any unusual noise, shouting, or other noises prohibited in those sections, in a manner likely to disturb the inhabitants of the City, as outlined in this report and provided in Document 1.

Susan Jones, General Manager, Emergency and Protective Services and Linda Anderson, Chief By-Law Officer gave a summary and brief PowerPoint presentation. A copy of the presentation is held on file with the City Clerk's office.

The report stems from a direction to staff from the 15 April 2010 meeting of Community and Protective Services Committee.

Following the presentation Councillors questioned staff regarding various issues such as rooming houses, absentee landlords, higher fines and that this is no longer an inner city problem.

The Committee then heard from the following delegations:

- 1) Christopher Collmorgen, President, Action Sandy Hill
- 2) May Morpaw, resident of Sandy Hill
- 3) Camille Papanek, resident of Sandy Hill
- 4) John Dickie, Chair, Eastern Ontario Landlord Association
- 5) Camille Lechasseur, resident
- 6) John Legg, resident Sandy Hill
- 7) Cheryl Parrott, Hintonburg Community Association
- 8) Leanne Moussa, resident Sandy Hill

- 9) Carl Martin, resident Sandy Hill
- 10) Andre Longtin, resident Sandy Hill
- 11) Norah Comeau, resident of Alta Vista
- 12) Clarence Dungy, landlord and manager of condominiums
- 13) Jim Holton, South Keys / Greenboro Community Association

Some delegations provided written speaking notes which are held on file with the City Clerk's office. All delegations were in favour of the staff report and are hoping that it may go further. Many residents in Sandy Hill stated that the St. Patrick's Day party which occurred was of great concern and actions need to be taken with the University of Ottawa. They feel that higher fines from the beginning will be a good deterrent.

Following the public delegations, staff responded to member's questions and the members introduced the following motions:

MOTION No. CPS 15/2

Moved by Councillor M. Fleury

WHEREAS noise is an increasingly prevalent community concern in neighbourhoods with high density; and,

WHEREAS By-law Enforcement Officers are on duty until 2:00 a.m. daily, year-round; and,

WHEREAS noise disturbances often occur after 2:00 a.m., after which time they become the responsibility of the Ottawa Police Service, for which noise is not a priority; and,

Moved by Councillor M. Fleury

WHEREAS noise is an increasingly prevalent community concern in neighbourhoods with high density; and

WHEREAS property owners are not currently made aware of violations of the Noise By-law committed by their tenants; and,

WHEREAS the *Municipal Act, 2001* has since been amended to provide authority for more extensive penalties;

THEREFORE BE IT RESOLVED THAT the Noise By-law be further amended to incorporate the newer penalty provisions of the *Municipal Act, 2001*, and staff be directed to review the charges and fines related to all Provincial Offence Notices once per term of Council.
