Ottawa ON K1P 1J1Dear ~~Ms Holmes~~: *Diane*

I am pleased to advise you that the Ministry of Health and Long-Term Care will provide the Ottawa Board of Health up to \$729,547 (at 100%) in one-time funding for the 2011 funding year for extraordinary costs associated with the response to the infection control lapse at a non-hospital clinic in the City of Ottawa.

Roselle Martino, Executive Director (A) of the Public Health Division will write to Dr. Isra Levy, Medical Officer of Health, Ottawa Public Health, shortly concerning the terms and conditions governing this funding.

Thank you for your dedication and commitment to Ontario's public health system.

Sincerely,
