

National Capital Area Crime Stoppers 2nd Annual Fundraising Gala

Thursday, May 30th, 2013

On May 30th, the National Capital Area Crime Stoppers will hold its 2nd Annual Fundraising Gala at the Ottawa Convention Centre in downtown Ottawa.

Crime Stoppers is a registered non-profit organization run by community volunteers with a mission to support local police services in solving crimes. It does so by offering rewards to callers who provide information anonymously regarding a crime. Community awareness and engagement are its two main priorities.

Crime Stoppers relies solely upon the support, donations and contributions of individuals and businesses in the community to keep its program functional.

In a continuing effort to raise funds, as well as create awareness of its program, National Capital Area Crime Stoppers will be hosting a fundraising dinner with special guests from the community.

Please join Chief Bordeleau and the Crime Stoppers Board of Directors for a lively evening of networking and a live and silent auction.
