

**Homeowner Authorization for Condominium
Administration of the Residential Protective Plumbing
Program Application under City of Ottawa By-law
2016-376**

The Condominium Association responsible for your property will be applying for rebate(s) under the City of Ottawa's Residential Protective Plumbing Program (RPPP) to offset the cost of installing protective plumbing devices to prevent sewer backups.

Before the Condominium Association can proceed with their application, they must obtain your permission, in writing, to apply to the program on your behalf. Please complete the form below and return it to your Condominium Representative. If you have any further questions, please contact your Condominium Representative.

I or We, the Owner(s) of the property listed below, authorize the Condominium Association to apply to the City of Ottawa's RPPP on my/our behalf. I or We understand that the distribution of the rebate(s) and the performance of the work conducted on my/our property will be administered by the Condominium Association.
